

COMMERCIAL VEHICLE SYSTEMS VISION AND SAFETY GROUP

BRINGS YOU

LENSES FOR VALEO ROCKER SWITCHES

CVS is the North American Distributor for Valeo Rocker Switches from Valeo Switches & Detection Systems of Bietigheim, Germany. We are proud to bring our customers the durability and adaptability of Valeo Universal Rocker Switches. Contact our engineering staff to learn how these fine products can be designed into your next heavy vehicle project. See our other product lines at: www.truckersedge.com.

Sprague Devices

527 West US Highway 20
Michigan City, Indiana 46360

Telephone: 800-245-7691
219-872-7295
800-441-2048
Fax: 219-872-2321

National Seating

200 National Drive
Vonore, Tennessee 37885

Telephone: 423-884-6651
800-222-7328

The Lenses in the following catalog are shown in “Normal” orientation. This corresponds to a switch installed with the lamp on the bottom.

The lens orientations specified rotate in a clockwise direction to correspond with switch installations rotating in a counter-clockwise direction, as noted below.

90°

180°

270°

Any of the lenses shown in the “Valeo Rocker Switch Catalog” are available from Commercial Vehicle Systems, as well as the lenses shown in the “Lenses for Valeo Switches Catalog”. Additionally, symbols can be custom designed to meet your needs.

Standard lens colors are Clear, Green, Blue, Black (Opaque), Orange, Red, and Yellow. Lenses are also available in Light Green, Dark Green, Light Red, Dark Red, Light Yellow, White, and custom colors (for instance, black lens where the symbol shows white during the day, and glows white, green, or orange when lit). Lenses can also be supplied in “abrasion proof” format at a slightly higher cost per lens.

Contact Commercial Vehicle Systems’ Engineering Department regarding any requirements for non-standard lenses.
